

IF ONLY PICKING UP A CATALOG with no other purchases

** If you are a **current** MTH club member or **currently** on our permanent catalog mailing list you can print out this catalog request form prior to coming to the show. Bring the completed form with you to receive the latest catalog.

Keep in mind that if you decide to have the catalog mailed to you instead of picking it up at the show, it will not be mailed until the week after York.

*** If you are not an MTH Club member you can join the club or sign up to be on our permanent catalog mailing list right at the show and receive your catalog on the spot.
