

SERVICE & WARRANTY INFORMATION

How to Get Service Under the Terms of the Limited One-Year Warranty

For warranty repair, do not return your product to the place of purchase. Instead, follow the instructions below to obtain warranty service as our dealer network is not prepared to service the product under the terms of this warranty.

- First, write, call, e-mail, or FAX M.T.H. Electric Trains®, 7020 Columbia Gateway Drive, Columbia, MD 21046 (Tel.: 410.381.2580; e-mail: service@nth-railking.com; FAX: 410.381.6122), stating when it was purchased and what seem to be the problem. You will be given a return authorization number to assure that your merchandise will be properly handled upon its receipt.
- **CAUTION: Make sure the product in its original factory packaging including its foam and plastic wrapping material so as to prevent damage to the merchandise. The shipment must be prepaid and we recommend that it be insured.** A cover letter including your name, address, daytime telephone number, e-mail address (if available), Return Authorization number, a copy of your sales receipt, and a full description of the problem must be included to facilitate the repairs. Please include the description regardless of whether you discussed the problem with one of our service technicians when contacting M.T.H.® for your Return Authorization Number.
- **Please make sure you have followed the instructions carefully before returning any merchandise for service.**

Limited One-Year Warranty

All M.T.H.® products purchased from an Authorized M.T.H. Train Merchant are covered by this warranty.

See our website at www.nth-railking.com or call 1.888.640.3700 to identify an Authorized M.T.H. Train Merchant near you.

M.T.H. products are warranted for one year from the date of purchase against defects in material or workmanship, excluding light bulbs and traction tires. We will repair or replace (at our option) the defective part without charge for the parts or labor, if the item is returned to M.T.H. Electric Trains® within one year of the original date of purchase. This warranty does not cover damages caused by improper care, handling, or use. Transportation costs incurred by the customer are not covered under this warranty.

Items sent for repair must be accompanied by a return authorization number, a description of the problem, and **a copy of the original sales receipt from an Authorized M.T.H. Train Merchant**, which gives the date of purchase. Call 410.381.2580, fax 410.423.0009, or e-mail the Service Department at service@nth-railking.com to obtain a return authorization number.

This warranty gives you specific legal rights, and you may have other rights that vary from state to state.

The passenger station adds a splash of life to your layout. Constructed from sturdy ABS plastic and brightly painted, the passenger station along with its two platforms, are a perfect addition to any O-27 or O Gauge layout.

The passenger station is pre assembled, so set up is quick and easy by following the setup diagram on the inside.

Passenger Station

Bottom View of Passenger Station

The Rail King Passenger Station is comprised of three major components, the station building itself and two station platforms. Before the station is placed on the layout, each component (which contain pre-wired operating lamps) must be wired together and attached to one another.

In order to connect power to each component, the (6) enclosed wires must be connected to the wiring posts located on the underside of each component. Once the wires are reattached to each component, the (8) locking clips should be pressed and snapped onto the roof and base bolsters where the platforms meet the station roof and base. Follow the diagram to locate the correct wire post terminals for the wire harnesses and the bolster points where the locking clips should be snapped into place.

You can obtain replacement bulbs directly from the M.T.H. Parts Department (phone: 410-381-2580; e-mail: parts@mh-railking.com; mail: 7020 Columbia Gateway Drive, Columbia MD 21046-1532).
